CHAPEL This week's chapel was led by Pastor Mandley. Chapel offerings for January are designated for Lutheran for Life. Our prayer family for the week has been the Kimball family.

Pizza cards have been returned to The Lighthouse Restaurant. Many thanks them for their kindness in letting us be a part of this fundraiser. Card sales earned \$820 for our school.

LOOKING FOR PHOTOS A **yearbook** for the 2017-2018 school year is in the works! If you have pictures from school events that you would like to share please email them to Lauren Holbrook (laurenc0306@gmail.com). Some examples include: back-to-school/1st day of school; riding the bus; Special Person's Day; the Italian Dinner/auction; classroom Christmas parties; Thanksgiving celebration. Thanks for your help and be sure to check the newsletter regularly for updates.

Our "**Camp Food**" **competition** collected over 380 pounds of food items for our local food pantry. What awesome efforts to bless others. Weighing in over 100 pounds earned the fourth and fifth grade class a trip to deliver the items. Way to go, y'all!

A special Voters meeting for St. John Lutheran Church is scheduled for February 11 after the Sunday worship service. The only topic to be discussed is the **expansion of our preschool program from half day to full day** with two separate programs. Please keep the voters in your prayers as they make a very important decision on behalf of our school.

Thank you to all the students who continue to show respect to those in authority, whether it's a teacher or another adult. We appreciate your respect when you don't talk back and obey with a cheerful heart.

Our school is privileged to be able host a **BLOOD DRIVE** at the end of February. Ready to roll up your sleeves and save a life? Donations can be scheduled now at redcrossblood.org and entering our zip code under Find a Blood Drive, or by calling the office. *Volunteer help* will be needed to make the day run smoothly. A SignUpGenius link will be available on the website soon.
