**CHAPEL** Thank you, Pastor Voigt, for leading our chapel service this week on Special Persons Day. Chapel offerings for the first quarter will be used to help with shipping costs for Operation Christmas Child. Our prayer family for the week has been the Brege/Ciarkowski family.

**NWEA TESTING**, which will happen three times a year, for all grades, covering math, reading, and language arts, is underway next week for grades K-5. Grade 6-8 are finishing up this week. Please help your child get a good night's sleep with a protein-filled breakfast each morning to help them be successful test takers.

**K-8 parents - TEST RESULTS** from last year's M-STEP and Iowa Basic testing are being sent home today. Parents are encouraged to review the paperwork. Teachers will be able to discuss results and answer questions at parent-teacher conferences, which are scheduled for November 8 & 9 (a change from the original school calendar).
